To Whom It May Concern:

This letter is to certify that the State of Illinois meets the requirements of Section 1616(e) of the Social Security Act (the Keys Amendment) for fiscal year 2019.

Standards for the licensure of non-medical residential facilities in which a significant number of Supplemental Security Income recipients reside, or are likely to reside, have been established and are currently enforced, by authority vested in the Director of the Illinois Department of Public Health ("DPH") (through the Illinois Nursing Home Care Act, 210 ILCS 45/1-101 et seq.), in the Director of the Illinois Department of Children and Family Services ("DCFS") (through the Illinois Child Care Act of 1969, Chapter 23, Paragraphs 2211 and 2230), and in the Director of the Illinois Department of Healthcare and Family Services ("HFS") (through the Illinois Public Aid Code, 305 ILCS 5/1-1 et seq.). These non-medical residential facilities, which provide room, board, and continuous protective oversight to residents, are identified as Community Living Facilities, Sheltered Care Homes, Assisted Living Facilities, Child Care Institutions, Group Homes, and Supportive Living Program sites.
